In addition to the monthly salary, the CEO is paid a bonus which is based on bonus schemes confirmed for the company.

Under the company's bonus scheme, the earning criteria for the bonus is the growth of Qt group's net sales. Upon fulfilment of the target set for net sales, the CEO is paid a bonus equal to 40 per cent of his annual base salary. Upon exceeding the said target, the bonus will increase as follows: 30% of each euro that exceeds the net sales target is used for the CEO's and other company personnel's bonus rewards including social costs. The maximum bonus for the CEO under the bonus scheme is 120 per cent of his annual base salary. However, no bonus shall be paid if the company's operating profit falls below the set minimum level. The fulfilment of bonus criteria is evaluated and possible rewards are paid semiannually.
